Lester Strock Award Committee Report

Based on his research contributions in the field of laser-induced breakdown spectroscopy (LIBS) for nanoparticle analysis I propose

Professor Dr. David W. Hahn
Department of Mechanical & Aerospace Engineering
University of Florida

Gainesville, FL 32611-6300, USA

for the Lester Strock Award 2011.

The award will be presented at the FACSS 2011 conference (Grand Sierra Resort, Reno, NV, October 2 – 6, 2011).

Sincerely,

Heinz W. Siesler
