

VI-I-Student Representative-SciX 2017

David Bryce

SciX 2017

Student Representative Report to the SAS Executive Committee

Items of SAS Student Business:

1) Pittcon 2017 Student event review:

The Pittcon 2017 student event was held at the Chicago Athletic Club's game room, Monday March 6th, and provided students a chance to enjoy refreshments, games and snacks. The venue provided the opportunity to socialize casually at one of several booths, or over a variety of games including bocce, foosball and pool. The event was attended by approximately 20 student members, and several non-student society members, providing the chance for young members to network and meet others in the spectroscopy community.

2) SciX 2017 student event:

This years SciX 2017 student event will be held at the Sierra Bay driving range, located just south of the Grand Sierra resort. Students will have the opportunity to take advantage of the aqua driving range, and enjoy food and beverages. The event will be held from 8:00 – 11:00 P.M. Monday, October 9th, and as per usual members of the executive committee are invited (and encouraged) to stop by and meet with our student member community.
