Expenses of the Society not specified and provided for in the budget must be approved by the Governing Board before payment or, in the interim between meetings, by the Executive Committee.

(a) FUNDS. An inactive Section's funds or assets, after discharging of all just debts, shall be returned to the general fund of the Society. If the section is an Affiliate, the funds or assets are disbursed according to the rules of that Affiliate. No money from an Affiliate is returned to the Society unless directed to do so by the Affiliate.

(b) REMOVAL FROM INACTIVE STATUS. A petition of ten (10) or more SAS members, upon approval by the Sectional Affairs Committee, needs only a simple majority vote of the Governing Board, or between Governing Board meetings the Executive Committee, to remove the Section from inactive status. The Executive Committee or the Governing Board can at their discretion return on a pro-rata basis any or all of the forfeited funds to the Section upon removal from inactive status. The Society Treasurer, on approval of the Governing Board, or Executive Committee between Governing Board meetings, may grant the Section seven hundred and fifty (750) dollars to provide immediate operating funds.

(c) MEMBER STATUS. If a Section becomes inactive, the membership will be given the choice of transferring to the active Regional, Special Interest or Technical Section of the member's choice.

NEW REGIONAL, SPECIAL INTEREST, OR TECHNICAL SECTIONS. An organized group interested in becoming a Regional, Special Interest or Technical Section of the Society may petition the Governing Board of the Society, or the Executive Committee between Governing Board meetings, for Regional Section status.

- (e) the physical and/or virtual locations where section activities will be planned and take place.
- (f) projected membership.
- (g) a request for up to seven hundred and fifty (750) U.S. dollars for start-up funds.

This petition shall be considered by the Governing Board, or the Executive Committee between Governing Board meetings. Outside of the U.S., Canada and Mexico, the petition

should include:

- (a) a proposed name for the Regional Section.
- (b) a list of officers and expiration date of each officer's term.
- (c) an intent to draft a set of regionally appropriate Constitution and Bylaws within two (2) years to meet regional/cultural circumstances.

- (d) a list of all the current members with indication of Society for Applied Spectroscopy membership.
- (e) projected membership over a five (5) year period.
- (f) an intent to submit an appropriate expense claim for up to seven hundred and fifty (750) U.S. dollars incurred as a consequence of setting up the new Regional Section or holding an inaugural meeting.

- (a) proposed name of the Student Section.

- (h) proof of a faculty advisor.

This petition shall be considered by the Governing Board, or the Executive Committee between Governing Board meetings.

Non-Student Sections must fall into one of two categories:

1. **AFFILIATE.** The Affiliate Section is a separate entity from the Society. Within the U.S. it has its own 501(c)(3) letter of exemption from the IRS and its own federal identification number. It accounts for and reports its own finances to the IRS and relevant state agencies as necessary. It cannot use the Society's non-profit mailing permit from the post office. A disbursement of dues from the Society to the Affiliate Section is a donation from the Society to the Affiliate Section. Outside of the U.S., the Regional Section must satisfy its national tax laws and requirements.
2. **CHAPTER.** The Chapter Section is not a separate entity but completely part of the Society. All of its activities and finances are ultimately the responsibility of the Society. The Chapter Section's assets, liabilities, income, and expenses belong to the Society and must be reported by the Society to the IRS and the state of Maryland. The Governing Board or Bylaws of the Society can designate portions of the Society's income for use by the Chapter Section, but that designation can be reversed or changed at any time. The Chapter Section does not have any assets that are legally separate from the Society. The annual disbursement of dues "from" the Society "to" the Chapter Section is simply just an internal transfer of funds from one Society account to another. The Chapter Section can use the Society's non-profit mailing permit from the post office. IRS statutes prevent a Section outside of the U.S.A. from becoming a Chapter; they must be an Affiliate.

General Provisions

BONDING. The fiduciary officers and employees of the Society and/or other ventures involving the collection or distribution of money shall be bonded to the extent of not less than twenty (20) percent of the estimated total annual amount of their accounts. The cost of said bonding is paid by the Society.

ASSOCIATIONS. The Society may form associations with other appropriate international or national organizations or international conferences following approval of the Executive Committee or Governing Board. Delegates, liaison persons, or other representatives may be named, as appropriate, by the President for specified terms for the purpose of providing input from the Society. The representatives may be instructed by the Governing Board or the Executive Committee regarding specific issues.

The Society shall not place its name or approval on any commercial product, enterprise, or work.

The Society shall not be responsible for any views, theories, or statements advanced in papers or discussions at its meetings or set forth in its publication.
